- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student has the right to cancel his or her agreement for a course of instruction, without any penalty or obligations, through attendance at the first class session ____/____/____, or the seventh calendar day after enrollment ____/____/____, whichever is later.

Notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited, to a student's lack of attendance. You will be given two notices of cancellation forms on or before the first day of class, but you can use any written notice that you wish.

Cancellation shall occur when the student gives written notice of cancellation at the address of the Institution shown at the top of the front page of the Enrollment Agreement. The student can do this by mail, email or hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed and postage paid.

If the Institution has given the student any equipment, including books or other materials, the equipment shall be returned to the Institution within 20 days following the date of the notice of cancellation. If the equipment is not returned—including books or other materials—in good condition (re-issuable as new) within the 20-day period, the Institution may deduct the documented cost of the equipment from any refund that may be due to the student. Once the equipment is paid for, it is the student's to keep without further obligation.

If the student cancels his or her Enrollment Agreement, the Institution will refund any money that was paid, less any deduction for equipment not timely returned in good condition (re-issuable as new), within 45 days after the notice of cancellation is received.
